Times-Dispatch Bureau.
109 North Sycamore Street,
Petersburg, Va., September 22.
The opposition to the sale of liquor on the Fair Grounds during the progress of the fair next month is growing, and some of the Methodist and Baptist churches on Sunday will find voice in condemnation of such privilege from both pulpit and congregation. The Woman's Christian Temperance Union of this city also enters its solemn protest against allowing a bar on the grounds. Strong appeals will be made to the directors of the association to withdraw their application for a bar concession, and to Judge Mullen, of the Hustings Court, to refuse to grant the necessary license. Miss Wilson Suffered for Nine Years, but Finally Obtained Relief by Taking Cardui

Camden, Miss.—"About five years ago," says Miss W. E. Wilson, of this place, "I had to undergo an operation, and after that it hurt me to stand on my feet or walk much."

As soon as I commenced to take Cardui I felt better. Now I am not taking any medicine, for I don't need any."

Cardui has done me more good than anything I have ever taken. It is the grandest medicine for women that was ever made."

Protest by Ministers.

At a called meeting of the Methodist preachers of the city, held to-day, at which all of the local preachers were present, the following paper was presented, adopted and ordered to be sent to Judge Mullen:

"We, the undersigned Methodist ministers, located in the city of Petersburg, Va., having learned from the city papers that the board of directors of the Southside Fair Association have signed a petition praying the court to grant a bar room license on the grounds of said association during the session of the fair, which is to be held in our city in the month of October next, do hereby and now enter our solemn protest against the granting of such license, for the following reasons: We believe the sale of whiskey on the grounds during the session of the fair, will be detrimental to the interest of said fair and against the object for which said association was organized as well as endangering the lives of those who would like to attend and enjoy the fair, and to all morals connected with the occasion."

The paper is signed by the Revs. W. H. Atwell, J. K. Joffit, J. T. Bosman, George E. Booker, W. T. A. Haynes, H. C. Grayson and L. C. Moore.

Serious Cutting Affair.

Katie Jones, colored, almost died last night from a wound which she says was inflicted on her by a negro named John Robinson. She says that Robinson tried to rob her of \$13 which she had planned in her bosom, and in resisting him she was thrown through the window of Liberty Street. She escaped and ran up Byrnes Street, followed by Robinson, who caught her and slashed her across the temple with a razor. She fell exhausted in the porch of her home. The vessels of the temple were severed and she bled to death before physicians stopped the flow of blood. Robinson was arrested, but denied the cutting, claiming that the woman was cut in falling through the glass window. The razor said to have been used by Robinson was found by the police this morning. The screams of the woman aroused the whole neighborhood.

Another Cutting Affair.

Two negro women, Cleo Jordan and Margaret Coleman, got to fighting this morning in Cuthbert's Alley, not far from the police station. Cleo was stabbed in the breast and Margaret had a scalp torn by a blow with a piece of wood. Both were arrested, and both denied the services of a physician.

He was laboring under strange hallucinations at the time, not only imagining that the innocent passengers in the car were intent on taking his life, but the people out on the platform were waiting to kill him. His condition to-day is not much improved, and the authorities are trying to communicate with his people.

Robbed Her Employer.

Sarah Cousins, colored, employed as servant at the home of John Coleman, on Guarantee Street, was sentenced to jail for three months this morning for robbing her employer. It is said that while Mrs. Coleman was temporarily absent the girl went into the wardrobe and stole between \$30 and \$40, of which \$25 was recovered after her arrest.

ALUMNI MEETING OF ACADEMY BOYS

Former Students Organize—Dr. Pitt Promises Building for School.

With its oldest graduate, Olin Richardson, president, and fifty former students of Richmond Academy met at the academy yesterday afternoon and organized a Richmond Academy Alumni Association. The meeting was a very enthusiastic one, with an interesting program of speech-making and cheering.

The chairman called upon several of the "old boys" for speeches, which were received with great enthusiasm. Adrian Thomas, an "old boy," was the first speaker. He and others pointed out their former seats in the assembly hall, and the terms "senior," "senior minutes" and "punishment" were of frequent occurrence. Others who spoke were Robert Gwathmey, Mercer Williams, Edward Gwathmey and Olin Richardson. Speeches were made by Dean Prince and by F. Z. Brown and H. C. Cole, of the faculty.

His remarks were received with enthusiasm.

The following officers were elected: Olin Richardson, president; H. D. Quarles, vice-president; William Simpson, secretary; Charles Winter, treasurer; Raymond Massey, chief roster.
